KAILIS JEWELLERY

Four decades into our story...

Kailis Jewellery remains family owned and operated. Empowered by the natural radiance of the Australian South Sea pearl, we craft distinctly Australian jewellery to reflect and enhance the beauty of its wearer now and for generations to come. Bestowed with our signature secret black diamond and our 'K' hallmark, each Kailis piece encapsulates our message of unerring confidence, a glimpse of what is within, for only the wearer to see.

Forever connected
to the sea.

OUR STORY

The Kailis family hails from the small Greek island of Castellorizo and immigrated to Western Australia in the mid-1900s. In the 1970s, the late Michael George Kailis AO CBE and Dr Patricia Kailis AM OBE settled in Broome, known to grow the most lustrous pearls in the world. Inspired by the uniqueness of the natural gem, the pair opened Broome's first pearl jewellery store. Today, Kailis Jewellery remains dedicated to honouring the beauty of the pearl through carefully considered designs.

OUR PEARLS

Kailis Australian South Sea pearls are unlike any other on Earth. Born from the rare Australian Pinctada maxima oyster, they have the thickest nacre and a lustre, colour and size to rival

any other. The Pinctada maxima only produces one cultured pearl every two to three years - a true miracle of nature and a deeper beauty worth waiting for.
